

MARCH 12-15

If there ever was a time for men and women to step out of the boat and be used of God to make a difference, it is

NOW!

Preaching—Testimonies—Worship—Prayer—Fellowship

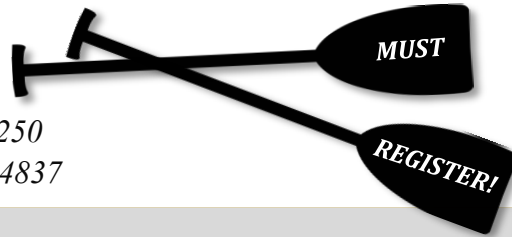

Twenty men and women are lined up to tell their story, of what it was like when they went against all odds and trusted only in the Living God to hold them up and guide them along. They are everyday construction and factory workers, farmers, housewives, married and unmarried. They are the Peters, James, Johns, Marys, Marthas, and Lydias of our day. Come and hear! Your life will never be the same!
