After we die, what are the only two options for our eternal destination?

To which one will you go? Are you certain? How do you know?

To think that you will be in heaven, only to find out too late that you were wrong, is one of the most terrible mistakes that you can make. Write out what you might say to someone who is in that situation and explain from the Bible what the only way to heaven really is.

How long does eternal life last?

You are a child of your parents. You are part of their family. Even if you leave home and even if you change your name, do you ever stop being the son or daughter of your parents? In the same way, if one has been born again—born into the family of God, adopted as a child of God, can he or she ever stop being God's child and part of God's family?

Read Galatians 3:21-4:7. There are many who think that they are part of God's family who have never known God. Jesus taught this clearly. Being a Christian does not mean saying a prayer and then living however we want. If we are born again as Jesus taught, we have a new nature, a new heart, and our thoughts, desires, hatred of sin and love of holiness will all resemble that of our Father. We will not always be perfect, of course, but we will be changed—not trying to please a taskmaster by way of rules and threats, but wanting freely to please Him who gave His Son for us—out of love. How is it with you? Are you trying to please God? If so, is it out of love, or out of fear?

Are you secure in Christ Jesus, or are you not sure, wondering if your church, religion, good works, etc., are sufficient?

Do you have any comments or questions? Are there any ways in which we can pray for you or help in any way?

Do you have a family member or friend who would like to sign up for this Bible course? If so, please fill out the form below and we will send him/her the first lesson in this course.
