It is not wrong to be tempted. Even Jesus was tempted by Satan. The problem comes when we give in to that temptation instead of standing securely upon God's Word, hating sin and loving righteousness. When Jesus was facing temptation, He did not refer to tradition or church teaching, but He quoted the Word of God. How can we expect to be victorious over sin and temptation if we do not know and love God's Word—the Bible? Do you know and love the Bible and read it daily?

It is easy as humans to give in to temptation and sin. Are there sins that you love more than God? Are there certain behaviors, habits, addictions, etc., that you are not willing to give up in order to live fully for God? Are you willing to hold on to these things if it means losing your soul?

We need to be wise and humble enough to realize that any of us can fall in to sin if we are not watching and praying and if we are not ready at all times to stand firm and resist the attacks of Satan. Are you prepared? Are you standing firm? How can we be ready?

Giving in to what we see as little sins or thinking that some bad habit or behavior is not a big deal can make it much easier for us to give in to more and more sin and to lose the battle without realizing it. Have you ever given in to one sin and then seen it progress into a whole mess of sin? Do you realize how important it is to stand firm against even “little sins?”

According to Galatians 5:16, if we walk in the Spirit, we will not fulfill the lust of the flesh. Are you walking in the Spirit? What does that mean?

Do you have any comments or questions about what you have studied in this lesson or anything else? Is there any way that we can pray for you?
